

MODIFICATION of the CCC 1972 and Istanbul 1993

CCC : Annex I – Istanbul : Annex B.3 Appendix II

PREVIOUS

Provisions concerning the marking of containers

1. The following information shall be durably marked in an appropriate and clearly visible place on containers;

(a) the identification of the owner or principal operator;

(b) the identification marks and numbers of the container, given by the owner or operator; and

(c) the tare weight of the container, including all its permanently fixed equipment.

2. The country to which the container belongs may be shown either in full, or by means of the ISO alpha-2 country code provided for in International Standard ISO 3166, or by the distinguishing sign used to indicate the country of registration of motor vehicles in international road traffic. Each country may subject the use of its name or distinguishing sign on the container to its national legislation. The identity of the owner or operator may be shown either by his full name or an established identification, symbols such as emblems or flags being excluded.

3. Containers approved for transport under Customs seal shall, in addition, bear the following details which shall also be put on the approval plate in accordance with the provisions of Annex 5 :

(a) the manufacturer's serial number (manufacturer's number); and

(b) if they have been approved by design type, the identification numbers or letters of the type.

NEW

Provisions concerning the marking of containers

1. (Amended) The following information shall be durably marked in an appropriate and clearly visible place on containers in accordance with International Standard ISO 6346*:

(a) the identification of the owner or principal operator and the individual number and check digit of the container as given in ISO 6346 and its annexes;

(b) the tare weight of the container, including all its permanently fixed equipment.

2. (To be withdrawn)

3. (Unchanged) Containers approved for transport under Customs seal shall, in addition, bear the following details which shall be also be put on the approval plate in accordance with the provisions of Annex 5:

(a) the manufacturer's serial number (manufacturer's number); and

(b) if they have been approved by design type, the identification numbers or letters of the type.
